SUMMARY OF FDT'S PRODUCTIVITY:

TURNING A VISION INTO REALITY

Without a doubt, a performing company must have artistic ambition to survive and thrive.

Thriving requires the support of community partners who also believe in the mission of the organization: to bring innovative professional

Since its founding in 2010, Flatlands Dance Theatre has indeed, according to arts writer Bill Kerns, "morphed into an accomplished company" which has:

- Completed an impressive body of more than 120 original new works which have achieved critical and professional acclaim
- Hosted internationally renowned guest artists
- Hosted its third "sold out" concert, Speakeasy: A 1920s Cabaret, in 2018
- Represented the South Plains area across the state at dance and choreography festivals
- Been invited to perform and teach at three national universities as well as other educational conferences

Flatlands Dance Theatre has uniquely enhanced community engagement and cultural arts in the South Plains region while also providing real world unique learning opportunities for students of the arts to participate in different roles with a professional company, all the while contributing to an improved quality of life for the community at large.

dance of the highest quality to the South Plains. FDT's long-term commitment to the Lubbock arts and culture sector through professional productions and community engagement demonstrates our desire to make our community better through dance. We believe what we offer is impactful to Lubbock's economy and the cultural capital we create is worthy of support.
